### **A Note on ITC(HS) Code, 2007**

Central Board of Excise and Customs (CBEC) under Ministry of Finance is the nodal agency to co-ordinate with the International Agency, World Customs Organisation (WCO) and modify the changes made in the Indian Trade Classification as per the classification opinions of WCO. Accordingly, ITC(HS), 2007 have been introduced in the Customs Authorities.

CBEC has hosted the Chapter-wise ITC(HS) 2007 Codes in their official web-site [www.cbec.gov.in](http://www.cbec.gov.in) as PDF files. As the Master Code File was not supplied to this office, these files were downloaded from the web site for preparation of the Master Code list of ITC(HS) 2007. However, it was found that some pages were missing in the PDF files. Chapter-wise details of the missing pages are listed below:

Chapter No.	Missing		Total no. of 8digit missing codes

<b>Total missing 8-digit codes</b>			<b>1133</b>

However, the missing information was not provided by the nodal agency and the job of preparation of the Master Code List and its implementation were held up. Subsequently, it was decided to supplement these codes from the previous correspondences and the documents available in the other sources. Accordingly, the Master Database for ITC(HS), 2007 has been prepared and any difference in these codes were found, it may please be informed to the authorities.

CBEC prepares the classification of ITC(HS) Codes as per the System of Classification of Goods in CBEC Manual. The same is available in their web site under [http://www.cbec.gov.in/customs/cs-manual/manual\\_4.htm](http://www.cbec.gov.in/customs/cs-manual/manual_4.htm).
